#### **Consent Agenda:**

Approval of Minutes (CZ)
Approval of Treasurer's Report (HK)
HK moved and AT seconded that the consent agenda be approved; it passed unanimously.

### **Reports, Discussion, Decisions:**

- 1. Trail Maintenance CZ will serve as trail maintenance coordinator again this year; he will email past crew leaders to determine which of them will be able to serve in that role again this season. ML reported that the TfA has been approved to set up a camp on Rudolph Mountain Trail in case we decide to schedule a multi-day maintenance. She also reported that Jeff Outhier should be back the first week in June, and Jess Franta started work yesterday. Jeff has assigned Comanche, Venable, Cottonwood, Rudolph and possiblely Lion Canyon to TfA for our maintenance work this summer. AT reported a lot of deadfalls on the Rainbow Trail. HK has a knee injury that may prevent him from engaging in trail maintenance. He has sharpened all the loppers.
- 2. Single Sheet Hiking Guides HK reported that Shelly Larson will create about a dozen 1-pagers (for free) from information that he will provide; these should be ready in June. AT recommended that water-resistant paper be used; HK said this would probably require a laser printer. HK will continue to research the type of paper to be used.
- 3. S.E.E.K. PP reported that Tom Dimler reported that he and Taurin will have the S.E.E.K program again this summer, but on a smaller scale than the first year. SS talked with Kate Vickery and Taurin Jones-Dimler and reported that there will be four Monday sessions in June and July and perhaps a fieldtrip on a Friday in September. Tom has already ordered backpacks for the kids. Taurin will need volunteers to help with transportation and on the hikes. SS and Kate Vickery will try to meet with Taurin again soon. SS asked with background checks are required for volunteers to work with the kids.

4. Dinner Together (TfA Board and spouses) – The date has been set for June 30. There may be as many as 25 attendees. AT, SS, JA, and CZ all offered locations for the dinner. AT will make the location decision and

coordinate the event.

- 5. USFS Events ML reported that there will be a Leave No Trace workshop on July 15.
- 6. Managing the TfA Google Shared Drive KF volunteered to be account administrator, HK & CZ volunteered to be co-administrators or at least to have access to upload files. CZ moved and HK seconded that KF, HK, and CZ serve as co-administrators; the motion passed unanimously. KF will contact Kate Vickery to get her help in making this transition to the new co-administrators.
- 7. Exploring GOCO/MHYC Grant Application for 2023 KF reported that she applied to GOCO last year on behalf of SILPT and was funded for a youth corps crew from Mile High Youth Corps for three weeks. The crews cost \$9,000 per week for chainsaw and herbicide certified crews and \$7,500 for crew not so certified. CZ said that lodging was probably the biggest challenge we had with our NCCC application this year; KF said the crews used primitive camping. A crew to work on Comanche or Venable Trails were suggested as possibilities. The application deadline is the end of August. KF will further explore the possibility of an application.
- 8. Delegating Roles HK noted that his work with TfA, particularly his roles as treasurer and editor of the Hiking Guide are stretching his abilities/times, particularly with other responsibilities that he has coming up this summer. PP asked the board to consider the following roles to determine if others within TfA could be delegated to free HK somewhat.
  - a. Developing the website (Flipcase) AT will lead our use of Flipcause

b. Managing contacts - CZ will manage our contacts in MailChimp for email purposes. HK noted that further coordination may be required to make our MailChip contacts compatible with Flipcause. c. Filling hiking guide orders they come in through the website – HK will continue to do this unless the number of orders increase significantly.

d. Maintaining the newsletter – HK will compile and distribute the newsletter but needs others to provide regular, fresh content.

- e. Serving as the Tourism Board liaison No one was identified at this time.
- f. Coordinating marketing No one was identified at this time.
- **9.** Ordering Hiking Guides -- HK asked if we should order 200; he noted that costs would go up to about \$1,000 per 100 due to different binging. It was agreed that we would place the order with our existing printer even with the added costs for the additional copies of the current edition.

Next Meeting: Tuesday, June 14, 2022 at 5:30 pm MT in-person at COL and via Zoom.

Adjournment: PP adjourned the meeting.
